There is no hooking up trailers to the water on the grounds. • Stalls are not considered fully reserved until they are paid for and all shavings must be ordered by July 1. Stalls that are not paid for by June 25 may be reassigned if there is a waiting list. In the case of show being rained out stall reservations and shavings will be reimbursed. **Due to the limited number of stalls, priority will be given to horses that are not local to Brigden. This will mean that up to June 25 reservations will only be accepted for horses that live more than 30 minutes from the Brigden Fairgrounds. After June 27 if there are stalls available they will be opened to any horse on a first paid first served basis. I will make a list of local horses that would like a stall if there are any wanting to go on this list.**

I understand the risk involved with the exhibiting and showing of horses and ponies and accept the responsibility for this. Moore Agricultural Society, Tri County Horse Club and Mid Western Horsemen's Society and their directors and volunteers will not be held responsible for any loss or damage to persons, horses or personal property from any cause and upon this condition only are stall reservations for this show accepted.

All stalls must be left swept clean before leaving the show grounds. There is to be no manure, hay, shavings in the stall, in front of the stall or near the stall. Reservations are only accepted with the agreement that stalls will be left the way they are found when you arrive.
